CALL TO WORSHIP

**Call to Worship** (based on Psalm 22:23-26)

Come with worship and praise,  
all you who love and serve our God!  
For God has not ignored the suffering of the needy,  
but has heard their cries for help.

**We praise you, O God!**

**In the presence of your people,  
we will fulfill the commitments we have made.**

**The poor will eat and be satisfied,  
and all who seek you will rejoice!**
